

Annual Membership Meeting and Dinner

The 2018 Annual Membership Dinner & Meeting will be held on January 13, 2018 at the Prescott Club in the Stoneridge Community Center. (See address and location below.) We're changing things up this year. Instead of an evening gathering we're planning a Luncheon Meeting with some educational workshops before and after the meal. Price for the luncheon & workshops will be \$20.00 payable at the door. (Make checks payable to AzOWRA. No Credit Cards will be accepted.)

All AzOWRA Members and guests are invited to attend and participate in a recap of the events & activities of AzOWRA this past year. Plans for upcoming events and activities for 2018 will be announced.

Doug Disbrow & Ryan Georges with AZ Wastewater Services, LLC, and Kathy Mills, Mills Engineering, will give a recap of their participation in NOWRA's Mega-Conference held in Dover Delaware.

As incoming president, Kathy Mills will present a report on the direction AzOWRA is headed in 2018.

Results of the ballots for the Election of Officers & Board of Directors will be announced at the meeting. Get your ballot in on time or bring it to the meeting. So make your reservation today!! You just might be receiving a special award...won't know unless you show up.

See you in Prescott Valley!!

January 13, 2018

Workshop at 10 am & following the luncheon
